Landing Page Navigation Tips:

1. Individuals and businesses that have not been licensed by DPS should use the RED buttons to start a new application
2. Individuals, including owner/manager/partner/shareholders should use the Sign-In process to submit new, renewal, and update applications
3. Individuals that have not created their password protected account should use the Create New Account link
4. The bottom of this page has links back to DPS web pages that include information on using the TOPS application, regulatory information, and programmatic information.

Before you begin:

You will need the following information:

- Business or Individual Email address that is on file with DPS
- Company Name and Address Information
- Ownership and Shareholder information

FAQs are available on the [Private Security website](#)

How to begin:

Type in your email address and select “Create New Account” or “set up a password”.
